

Asir Adnan

Portfolio: <https://asiradnan.com>, Email: asiradnan23@gmail.com, Phone: 01842274111

I am currently a student of BRAC University, studying Computer Science. I regularly build Web Projects and **Host** them in my own **VPS**. I use **Nginx** to host and my favourite database is **Postgres** as it's easier to **backup and restore databases**. I built most of my web projects with Django, Django Rest Framework, NextJS, ReactJS and I have also learnt native Android **App Development** in **Kotlin**. I actively participate in **Programming Contests** as well. I love and try to utilize the power that programming gives us!

Skills:

Programming Languages: Python, C++, Kotlin, Javascript

Web Technologies: Django, Django Rest Framework, NextJS, ReactJS, MySQL, PostgreSQL, MongoDB, API, HTML, CSS, Javascript

OS and System: Git, GitHub, Linux, Docker

Others: SEO basics, UI/UX basics.

Competitive Programming:

Participated in 10+ on-site contests

November 2022 - Present

1. **ICPC Asia Dhaka Regional Contest (top 100)**

2. **NCPC 2023 (JU) (top 100)**

Participated in 80+ online contests

September 2022 - Present

1. **Codeforces: 1321 rated**

2. **Codechef: 1599 rated**

Solved more than 1400 problems

May 2022 - Present

1. **Codeforces: 800+**

2. **LeetCode: 75+**

3. **CSES: 70+**

4. **CodeChef: 100+**

5. **Beecrowd: 370+**

Web projects:

November 2023 - Present

1. **Send Wish**: One can wish someone anonymously without revealing their email.

Implemented **email with SMTP** in **Django**.

2. **QR Code**: One can quickly create QR code for a text/link. Users can customize the colors and size. Built the project with **Django**.

3. **Copyasta**: Easily share files from any device to another without the hassle of signing in to email/social media. Built on **Django**.

4. **Chotto URL**: URL Shortener made with **Django Rest Framework** and **NextJS**.

5. **My Portfolio**: I started it with Vanilla **Javascript** then shifted to **ReactJS** and then to **NextJS** for better **Search Engine Optimization**.

Educations:

BRAC University

January 2022 - Present

BS in Computer Science

Current CGPA: 3.17
